Pain Points

Cumbersome donation process

Difficulty in setting up and managing fundraising campaigns

Inability to track campaign progress in real-time

Lack of insights and data analysis for campaign optimization

Security concerns in online donations

Difficulty in reaching potential donors

Limited accessibility for donors without traditional payment methods

Difficulty in maintaining donor records and compliance

Time-consuming and complex campaign creation

Our solutions

QR code-based technology for easy and quick donations

Quick setup and user-friendly interface

Real-time sync for instant updates on campaign metrics

Excellent analytics dashboard for data-driven decision-making

Secure transactions through QR code-based technology

Easy sharing of campaigns on social media and other platforms

Multiple payment options, including digital wallets and credit cards

Automated record-keeping and reporting features for better organization and transparency

Quick setup for campaigns with minimal technical expertise required

Benefits to Campaign Managers

- Quick and easy campaign setup, saving time and effort
- Real-time tracking of campaign progress for better decision-making
- Secure and error-free transactions through QR codes and QSP codes
- Subscription-based donations for consistent financial support
- Advanced analytics dashboard for data-driven campaign optimization
- Increased donor reach through easy campaign sharing on social media and other platforms
- Multiple payment options to accommodate a wider range of donors
- Automated record-keeping and reporting for better organization and compliance

Benefits to Donors

- User-friendly and free mobile app for easy access to fundraising campaigns
- Quick and secure donation process through QR codes and QSP codes
- Convenient payment options.
- Seamless experience, encouraging continued engagement with campaigns and causes
- Easy sharing of campaigns with friends and family, promoting awareness and participation
- Support for a variety of causes, allowing donors to contribute to multiple campaigns

How QuickScanPay Works

- / Sign up on the QuickScanPay platform.
(The registration process is simple and quick.)
- / Integrate your existing payment gateway.
- / Create your personalized QR code for the campaign
- / Share the QR code with your donors via email, social
other methods
- / Your donors make donations
(via credit/debit card, bank transfer, or digital wallet.)
- / Funds are deposited directly into your designated
bank account.
- / Donors will receive instant confirmation.
- / You can export data from the application.
